# Finding course readings in Canvas

From Canvas
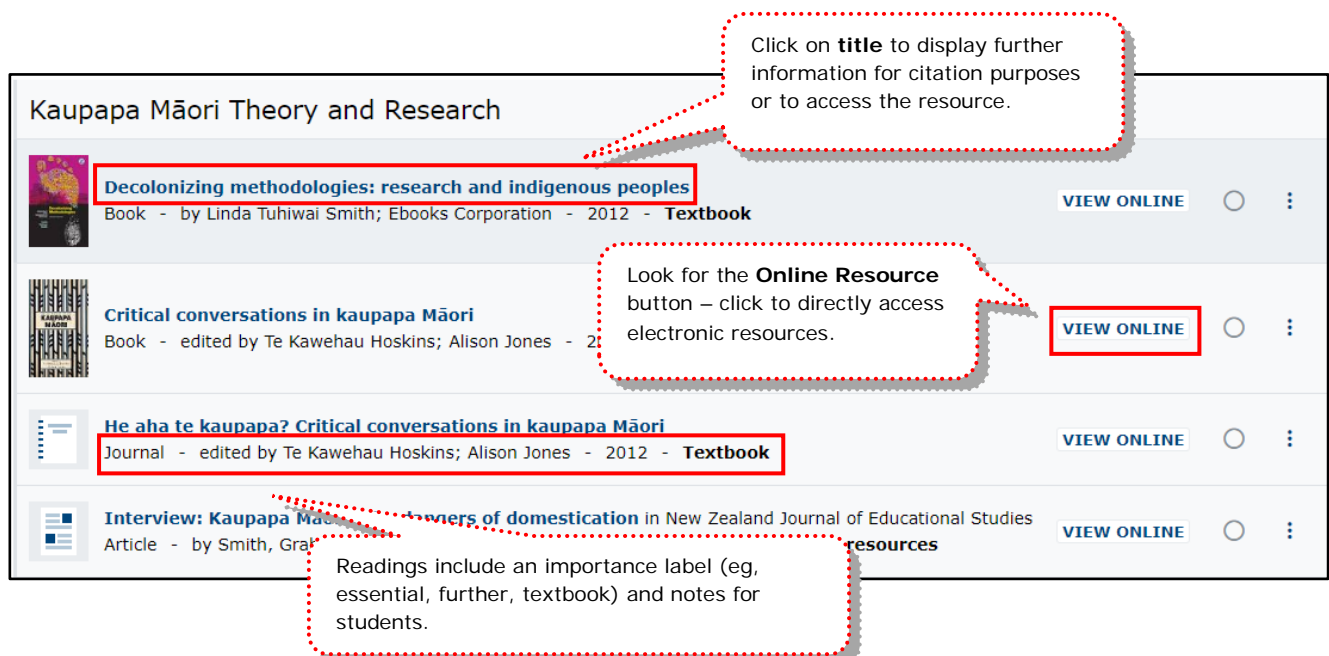

- Go into a specific course. Readings can appear under '**Reading Lists**' or '**Modules**'.

Note: some courses may not use online course reading lists.

Reading list features

The screenshot below highlights some key features of a reading list. The overall structure and layout of the list will depend on the lecturer (eg, by week, module, topic etc).

Click on **title** to display further information for citation purposes or to access the resource.

Look for the **Online Resource** button – click to directly access electronic resources.

Readings include an importance label (eg, essential, further, textbook) and notes for students.
